CITY OPENING YULE SEASON

Preparations to officially welcome the Christmas season are underway with new Christmas decorations being readied and planning started for the annual Cameron Christmas parade to be held Saturday, December 2.

The downtown area will take on a brighter appearance with the addition of new street decorations and Porter Young, chairman of the Chamber of Commerce Trade Committee, said Santa would be wearing a brand new suit. The new decorations, a project of the Trade Committee, were made possible through the generosity of Cameron business firms, Cameron Lions and Rotary Clubs and the City of Cameron.

Harry Shanks, chairman of this year's parade, said invitations had been extended to all local clubs, organizations, churches, bands, new car and implement dealers to join in to make the annual parade a really colorful event.

He said "Floats will be judged on four points: use of theme, creativity and originality to convey theme, workmanship and overall appearance."

Cash prizes will be awarded for the three best floats. First prize will be $25, second prize, $12.50 and third prize, $7.50.

Anyone interested in participating in the parade is asked to register by Wednesday, November 29. Information can be secured from the Chamber of Commerce office.

"We are looking forward to excellent participation by the community because this is the only way we can have a parade which will be a credit to the community," Shanks said.

Parade Marshall will be Herman Hanel.

Thanksgiving is a lot of things. And as American maturity grows weary of adolescent dissent, it even includes thanking the "hips" and other demonstrators for their clamor.

It is probably more attention than they received at home, for which they are thankful. But, at this Thanksgiving, it is about time they grow up just a little and try to cope with an admittedly complex deal dealt by the preceding generation.

But then, generations have a way of doing that to one another.

108-108-108

We are again reminded of Thanksgiving, 1963, when John Kennedy was assassinated in Dallas. As President, he had proclaimed officially for that annual holiday, but failed to live to see it.

We are thankful no sequel in despair has rained down since the Kennedy death and Whitman massacre at the University of Texas.

Texas next year will be bidding goodbye to a Governor who survived the Dallas day of 1963. He must be thankful he can leave the Governor's Mansion sounder than he entered Parkland Hospital that day.

We have noticed that indignation rallies, which seemed to center in Dallas in the early 1960s, have dissolved. And the leadership of that City has coped with the image and disaster which rankles from the time of that untoward volley.

108-108-108

Thanksgiving is a time to appreciate wisdom and colonial forbearance, now almost a cliche until one thinks of the valor and forbearance of half a million Americans who are, in effect, colonizing a war of French and Indian dimension.

Those who say Americans have never fought such a war don't know history. They should recall that Washington, who proclaimed the first Thanksgiving; was a soldier-surveyor in that struggle between French and British in Upper New York and Canada.

The British, our alter soldier egos over the centuries, did not fare so well with the Indians. But the French kept Quebec and the British gained primary Canadian dominion and helped teach Washington the military ropes. He and the French and tens of thousands finally defeated England.

This Thanksgiving, we may hold the British position in a French land split by Communist and Vietnam control. The Viet Cong may be the Indians who teach us the nasty business of jungle warfare. And we may be quick enough to win what can be won there, unlike the British, who ultimately lost the South (the U.S.).

And we can be thankful that the hips and dissenters are a vast minority, who must be heard. But once heard, they are diminished by the everyday heroics of their generation in Vietnam and the classic death of a President in a Texas city four years ago.

As one young actress says over a TV commercial boosting savings bonds, "I'm just proud to be in the same generation with them."

We are thankful that is the real truth about another young generation of Americans.

Grandson Of Former Cameron Resident Killed In Vietnam

Funeral services are pending at LaFeria for the son of Mr. and Mrs. Mack Maples who was killed in fighting in Vietnam last week.

He is the grandson of Mrs. Mary Clark Maples, longtime resident of Cameron who now makes her home in LaFeria.

An older son, Maj. B. D. Maples, who has been recuperating from injuries received in the Vietnam war, will accompany his brother's body from California.

LS Gas Adds Somerville To Cameron District

Special to The Herald

Construction of a natural gas transmission and distribution system slated to bring Lone Star Gas Company services to Somerville is scheduled to begin around December 1, according to E. L. Edwards, manager of Lone Star's Cameron District of Distribution.

The new system, consisting of more than 18 miles of 6-inch transmission pipeline and some 60,000 feet of distribution mains within the city, will supply more than 500 Somerville residents with natural gas services when the system is completed in early April.

When natural gas service begins this spring, Somerville will join seven other towns in Lone Star's Cameron District which includes Cameron, Buckholts, Rogers, Rosebud, Caldwell, Lyons, and Rockdale. Lone Star Gas Company now provides natural gas service to more than 6,900 customers in the Cameron District. Somerville currently relies on fuel energy from liquid petroleum gas including butane and propane.

Somerville will join 544 cities and towns in Texas and Oklahoma now assured a plentiful and continuous supply of natural gas by Lone Star Gas Company.

GEORGE WASHINGTON'S

FIRST THANKSGIVING PROCLAMATION

October 3, 1789

Whereas, it is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore His protection and favor; and

Whereas, both Houses of Congress have, by their joint committee, requested me "to recommend to the people of the United States a day of public thanksgiving and prayer; to be observed by acknowledging with grateful hearts the many and signal favors of Almighty God, especially by affording them an opportunity peaceably to establish a form of government for their safety and happiness."

Now, therefore, I do recommend and assign Thursday, the 26th day of November next, to be devoted by the people of these States to the service of that great and glorious Being who is the beneficient author of all the good that was, that is, or that will be; that we may then all unite in rendering unto Him our sincere and humble thanks for His kind care and protection of the people of this country previous to their becoming a nation: for the signal and manifold mercies and the favorable interpositions of His providence in the course and conclusion of the late war: for the great degree of tranquility, union, and plenty which we have since enjoyed: for the peaceable and rational manner in which we have been enabled to establish constitutions of government for our safety and happiness, and particularly the national one now lately instituted; for the civil and religious liberty with which we are blessed, and the means we have of acquiring and diffusing useful knowledge; and, in general, for all the great and various favors which He has been pleased to confer upon us.

And also that we may then unite in most humbly offering our prayers and supplications to the great Lord and Ruler of Nations, and beseech Him to pardon our national and other transgressions; to enable us all, whether in public or private stations, to perform our several and relative duties properly and punctually; to render our National Government a blessing to all the people by constantly being a Government of wise, just and constitutional laws, discreetly and faithfully executed and obeyed; to protect and guide all soverigns and nations (especially such as have shown kindness to us), and to bless them with good governments, peace, and concord; to promote the knowledge and practice of true religion and virtue, and the increase of science among them and us; and generally, to grant unto all mankind such a degree of temporal prosperity as He alone knows to be best.

Given under my hand, at the city of New York, the 3rd day of October A.D. 1789.

$40,000 Budget For Levy

Tax Vote Set For Dec. 19

The Cameron City Council has called a special election for Tuesday, December 19, to vote on the 1 cent City Sales Tax.

And a Citizens Committee headed by E. A. Perrin is formed.

Councilmen in two special sessions in the past week approved:

ONE—The December 19 election date, and

TWO—Outlined a $40,000 estimated budget use for any city taxes returned by a 1 cent levy on retail sales in the City.

Perrin named a steering committee of 15 for presentation of the advantages of a 1 cent sales tax in Cameron. Ten of the committee met last Thursday at Cox Estate offices.

The committee includes: Bill Burns, Mrs. Carroll Green, Henry Siebman, Miss Mildred Thornton, Mrs. Perry Holder, Eugene Smitherman, Hilliard Thomas, Don G. Humble, Forrest Sapp, Albert Hajovsky, Jim Camp, Albert Collins, Frank Luecke, John Henderson Jr.

Perrin met with the Council in a special meeting Monday at City Hall. A nine-point budget of "Anticipated Use of 1 Percent Sales Tax" was outlined at the meeting.

It includes:

"1. Fire Department $5,000
a. Anticipated increase for additional fire truck
"2. Street Department $10,000
a. Resurface and improve business and residential streets.
"3. New Equipment $8,000
a. Badly needed equipment and machinery in the Street Department.
"4. Library $1,000
a. Maintenance of grounds and building.
"5. Police Department $3,000
a. Upgrade and modernize Police Department.
"6. Airport $1,000
a. Airport maintenance
"7. Salaries $6,000
a. This figure represents a $15 monthly increase for city employees.
"8. Parks and Recreation $4,000
a. Improve equipment and maintenance of parks.
"9. Cemetery $2,000
a. Expansion and improvement of cemetery.

The estimated total of $40,000 is reached, City officials said last week in town meeting on city sales tax, by using a $5.02 per capita factor supplied by Texas League of Municipalities, multiplied by the number of people in the Cameron trade area. Other estimates, using a different multiplicand, estimated income conservatively at $25,000 to $30,000 annually.

Speakers will appear before civic and cultural groups throughout the City in the next few weeks, Perrin said, and on local radio to present information on the possibilities.

Other committeemen are being contacted by the steering committee to work in a program to inform the Cameron public on the sales tax before the December 19 election.

Fifty-six cities, including Temple, Waco, Dallas and a number of North Texas cities are voting on the issue December 5.

About 33 out of 35 thus far have approved the issue where voted on. The City Council in Robstown last week refused to call a vote on the question.

7 Men Indicted By Grand Jury

Indictments were returned against seven men in the September term of the Milam County Grand Jury on Friday.

Fraudulent checks or felony theft headed the charges heard by the Grand Jury. One indictment for assault with intent to murder was filed against Bobby Loftin of Cameron and two charges of burglary were filed against Charles Robinson, Cameron.

John Lopez of Bryan was charged with giving a worthless check for $125 to Miller Chevrolet and Buick Co. in Rockdale on January 29, 1966.

Danny G. Wood of Odessa was charged with giving a worthless check in the amount of $208.63 to Murphy's Garage on May 30, 1967.

Joe Gerick of Cameron was charged with felony theft in connection with a claim of fraud for $3,823 made by Adam K. Grafe, Jr.

Bobby Loftin of Cameron was charged with assault with intent to murder in an October 7 shooting at 1303 N. College. Melvin Halpain of Cameron was injured in the affray.

Bill Huddleston of Hereford was indicted on two charges of theft by false pretext involving checks drawn for $1,040 on March 30, 1967 and April 22, 1967 to Gaither Motor Co., Rockdale.

Robert L. Lawhon of Thorndale was indicted on a felony theft charge filed by Mary F. Rydell involving $60.

Charles Robinson of Cameron was indicted in two charges of burglary at the Seth Dockery Jr. home on October 29 and the John Pernice house on November 9.

Grand jury foreman was Charles Hensley.

United Fund Drive Scores Big Success

Cameron United Fund closed the books on a successful drive with $8,523 raised for Red Cross, Salvation Army, Girl Scouts and Boy Scouts. The total represented 113.6 percent of the $7,500 goal according to Albert McCullin, Jr., campaign chairman.

The drive opened in mid-October and was extended into November for special payroll drives.

Rosebud, Rogers Await Regional At Yoeman Field

Two Men Held

T'dale Store Hit

Two Houston men are being held in Columbus, Texas in connection with the robbery of Steve's Cash Store in Thorndale last Friday.

The men, Joe Nathan Wilson, 45, and L. C. Ross, 42, implicated a third man who is still at large in Houston.

Milam Sheriff Carl Black said three men had entered the Thorndale store by forcing the front door lock about 7:30 p.m. Friday. Black estimated that $800 or $900 in cigarettes and cigars had been taken. He said they had parked in front of the store and opened the car hood as though they were having car trouble. The cafe across the street was open and several cars passed, but the robbery went unnoticed.

Sheriff Black said Ross and Wilson were arrested during an attempted burglary in Columbus. He said the cigarettes and cigars had been sold in Houston for resale by illegal distributors.

Yoe Honor Society Installs Members In Ceremony At School

Leaders in scholarship, service and character were installed last week into the Yoe High Chapter of National Honor Society. Officers, Aleta Zawadzke, president; Charles Maddox, vice president; Deandra Mullinax, secretary; Al Hefft, treasurer; Jeanie McDaniel, reporter; Paul Ray Senkel, parliamentarian, were also installed.

The select National Honor Society recognizes scholarship, leadership, character and service. Members must rank in the first third of their class and are nominated by a faculty committee of 7 or 8 from students who meet scholastic requirements.

Membership limits require that not more than 15 percent of the senior class be selected, not more than 10 percent of the junior class and not more than 5 percent of the sophomore. Sophomores hold probationary memberships.

Alvis Fuquay, Yoe High principal, said all students installed in the Yoe Chapter have better than an A average.

Seniors installed are: Sarah Arthur, Deandra Mullinax, Linda Fleming, Barbara Tomek, Jacqueline Robbins, Jeanie McDaniel, and Linda Richardson.

Juniors: Rosalee Stanislaw, Carol Lucko, Sharon McLerran, Bette Whitley, Diane Tumlinson, Barbara Hickman, Marilyn Perrin.

Sophomores: Mark Hensley, Linda Bowley, Monte Humble, Charlene McDermott and Bill Perrin.

Perrin Out With Minor Knee Injury

Mike Perrin, defensive end for the University of Texas Longhorns, was injured Saturday in the Texas-TCU game at Austin.

Perrin, son of Mr. and Mrs. Frank Perrin, Cameron, suffered a pulled ligament around his knee. Although the injury was considered not serious, he will miss the traditional Texas - Texas A&M battle today (Thursday) at College Station.

Services Held For Miss Wohleb

Miss Josephine Wohleb, 95, of Cameron, died at 3:10 p.m. Monday in a local hospital.

Funeral services were at 3:30 p.m. Wednesday at St. Monica's Catholic Church, the Rev. John Geiser officiating. Burial was in the church cemetery.

Rosary was recited Tuesday night at Marek - Burns Funeral Home.

Miss Wohleb was born May 30, 1872 in Industry. She is survived by five nephews and four nieces.

Pallbearers were Lester Williams H. H. Stedman, Ted Kuehl, Arthur Baskin, Herman Hoelscher and Julian Baskin.

Fire Destroys Two Garages Saturday

Two private garages were destroyed by fire Saturday afternoon in the Green Addition of Cameron.

Fire Chief Carl Black said cause of the fire that burned adjoining garages at the homes of Mrs. Leona White and Mrs. A. R. McLerran on North Harding, was undetermined. He said laundry equipment was stored in Mrs. White's garage, but it was not in use at the time of the fire.

5 Seniors Apply For Alcoa Scholarships

Five Cameron graduating seniors have entered competition for two scholarships offered annually for sons and daughters of Rockdale Works employees by the Alcoa Foundation.

Competition with 36 area entrants are: Linda Fleming, Dorothy Mae Holloway, David Kelley, Mike Miller, and Aleta Zawadzke.

Tickets On Sale For Cen-Texas 1A Highlight

The Rogers Eagles (9-1-1) and Rosebud Panthers (7-2-1) will meet for a 1-A Regional Championship 7:30 p.m. Friday at Cameron's Yoe Field.

These 1-A grid juggernauts promise an overflow crowd at equidistant Cameron.

Tickets are available at both Rogers and Rosebud High Schools at $1.50 for adults and 50 cents for students until 5 p.m. Friday. Tickets will be $2 at the gate for adults and $1 for student general admission.

Mrs. Barbara Smitherman, Cameron Chamber manager - secretary, said the sponsoring Cameron Chamber of Commerce was "pleased that Rosebud and Rogers chose Cameron for the game site."

The Cameron Chamber will present a trophy to the winning team following the game Friday night.

Rosebud defeated Cameron's Yoemen in regular season play 2-0 at Rosebud. Rogers, once a 2-A competitor of Cameron, will be on the 1968 Yoemen schedule, according to school officials.

Both squads bring experienced crews to Yoe Field. Coach Donald Godwin, of the Rogers Eagles, was optimistic about the game, saying his club was in good shape.

He listed three players as defensive starters in an otherwise regular starting 11. Defensive starters will be: roving back Cyril Gloria, guard Vernon Rose and tackle Robert Woods.

Rogers starters are:

Player	Pos.	Wt.	Class
Ed Henderson	QB	138	S
Mike Mayfield	TB	180	S
Bill Craft	SB	150	J
Larry Griffin	FB	176	S
Charles Sulak	G	160	J
Dave Synatzske	C	176	S
Rickey Raley	T	178	S
Dale Sitz	G	160	S
Curtis Schneider	T	160	S
Mike Heintze	E	140	S
Ray Sulak	E	208	S

Godwin is assisted by Jerry Brentham and Alex McKee. Two years ago, Rogers went to the quarter finals of 1-A football. Rogers superintendent is B. F. Harbour. School colors are black and old gold.

Rosebud plays again before Yoeman fans after finishing 7-2-1 for the season, defeating Elkhart in the bi-district last week. Coach Rodney Hudson is assisted by Ronald Reed, P. J. Hoelscher and Geary McManus. Rosebud superintendent is Bill Bates, former head football coach at Cameron. Colors are also black and old gold.

Probable starters for Rosebud:

Player	Pos.	Wt.	Class
Raymond Puente	QB	153	J
Alfred Knox	SB	185	S
Larry Spivey	TB	165	S
Larry Koslosky	FB	168	J
John Hudson	C	170	S

Dean Pomykal	T	180	S
Louis Koslosky	G	163	J
Rex Olson	T	200	J
Bobbie Horton	E	162	J
Mike Jackson	E	196	S

Cameron Chamber officials "welcomed the opportunity to host these two fine schools" and invited fans from throughout the Milam area to see the regional contest.

Driver Injured In Auto Gun Accident

James C. Broadway, an employe of Bludworth Ship Yard, Inc., Houston, was accidentally shot in his car Friday night on Highway 36 near Belt's Salvage.

Broadway's wife, the only passenger in the car, told Cameron authorities that a 25 caliber automatic gun had dropped or fallen in the car, accidentally firing a shot that hit Broadway.

Broadway was brought to Newton Memorial Hospital by private car and transferred to Scott and White Hospital by a Green Funeral Home ambulance where he underwent emergency surgery.

Th incident happened about 5 p.m. Friday.

Farm-City Week

Agriculture Big Business

COLLEGE STATION

The nation's biggest industry is not U. S. Steel, General Motors or AT&T and yet employs six million workers.

What is this industry? The answer is simple. Modern agriculture.

This information is only a small facet of the total agribusiness picture. Farm-City Week, Nov. 17-23, proclaimed by President Lyndon B. Johnson, is to promote better understanding between farm and city residents, to increase their knowledge and appreciation of each other and their contributions to the American way of life.

The farmer's contributions to the American way of life are substantiated by figures from the United States Department of Agriculture. The USDA shows that agriculture's assets total $238 billion. This sum is equal to about half the market value of all corporation stocks on the New York Stock Exchange.

Today's farmer is also a good customer. He spends nearly $30.3 billion a year for goods and services to produce crops and livestock. In buying the same thing city folks buy, the farmer spends $12 billion a year on food, clothing, drugs, furniture, appliances and other products.

According to the USDA, the farmer's purchases include: $4.7 billion in new farm machinery. It takes 119,000 employees to produce this farm equipment; $3.3 billion for fuel, lubricants and maintenance of machinery and motor vehicles. Farming uses more petroleum than any other industry; $6.5 billion for feed and seed; $1.7 billion for fertilizer and lime; 30 billion kilowatt-hours of electricity or more than is needed annually by Baltimore, Chicago, Boston, Detroit, Houston and Washington, D. C.

The modern farmer is a creator of employment. Three out of every 10 jobs in private employment are related to agriculture. Six million people have jobs providing the supplies farmers use and eight to 10 million people have jobs storing, transporting, processing and merchandising agricultural products.

President Johnson said that in less than a generation, the American farmer has created a greater agricultural abundance than his predecessors through all the generations of American history achieved.

"Our food and other farm products are helping to relieve hunger and to promote economic growth in the newly developing countries of the world," Johnson said.

This agricultural abundance is a powerful force for world peace.

Postmaster Urges Correct Address On Military Mail

Postmaster N. L. Caperton today urged the citizens of Cameron to be sure to use the correct address on their letters and packages going to servicemen overseas to avoid serious delays in delivery.

He reported that millions of letters and packages going overseas have been delayed because they were insufficiently addressed. He said that one of the biggest problems has been failure of persons to include the very important 5 digit APO or FPO number in the military address.

"As the Christmas mail volume going overseas is expected to increase up to 30 percent or over 4 million pounds above last year, every precaution should be taken by friends and relatives of servicemen to address their mail properly to assure rapid delivery," Postmaster Caperton said.

There are four essential elements to an overseas military address. They are:

1. The serviceman's identity -- grade, full name and service number.
2. His military unit -- complete.
3. Gateway post office -- New York, San Francisco or Seattle.
4. APO or FPO -- a 5 digit number.

When any of these elements is missing, the letter or package will be delayed in delivery.

Sen. Watson Named To New Committee On Capitol Traffic

AUSTIN

Senator Murray Watson, Jr., of Waco was today designated by Lieut. Gov. Preston Smith as a member of the special Parking and Traffic Committee, which was created by concurrent resolution of the 60th Legislature during its regular session earlier this year. The committee will study problems of parking and traffic congestion in the State Capitol complex and surrounding area.

In discussing the appointment of Senator Watson, Smith said: "The senator from Waco is well aware of problems of traffic congestion and parking in the capitol area, and his knowledge and ability will be invaluable to the committee as it tries to solve some of the problems resulting from the growth of Austin and the congestion created by the many new state office buildings clustered around the capitol."

Mrs. Alice White announces the engagement of her daughter, Kathy White, to Mr. L. L. (Skippy) Spruell, son of Mr. and Mrs. L. L. Spruell of Odessa, Texas. The wedding will be Sunday, November 26, at 2 p.m. in Park Place Methodist Church, Houston.

Serviceman's Family May Win Free Call In 'Hi, Mom' Contest

Thousands of American servicemen and women stationed overseas will share a few minutes of love by telephone with their families in the United States this year as part of the 11th annual "Hi, Mom" program sponsored by the Communications Workers of America and the USO.

John Galure, president of CWA Local 6206 in Temple said the CWA will sponsor two free calls to any place in the world to persons in the armed forces. Anyone living in the Central Texas areas of Bell, Lampasas, and Milam Counties is eligible to win these calls. Any family who wishes to talk to a loved one in the service overseas may send a postcard with the name, address, and phone number of the person wishing to make the call to: CWA—USO, USO Building, P.O. Box 7774, Temple, Texas 76501.

Deadline for entries will be December 8 and winners will be announced December 9.

MRS. STEDMAN HOSTS CAMERON HISTORY CLUB

The Cameron History Club met in the home of Mrs. H. H. Stedman, November 14 with 15 members present.

The meeting was called to order at 3 p.m. by the president, Mrs. W. C. Wallace, who presented the guest speaker for the afternoon, Wayne Mann of the Soil Conservation Service.

Mr. Mann discussed "Changing World of Recreation" and gave interesting facts about the potentials of recreation in Milam County.

The Stedmean home was decorated with lavender mums. The hostess served refreshments in the dining room, assistd by Mrs. S. A. Cottle and Mrs. Perry Wilkerson.

AUXILIARY TO MEET MONDAY

St. Edward Hospital Auxiliary will meet at 7:30 p.m. Monday, November 27 at the hospital.

The auxiliary made tray favors for hospital patients' Thanksgiving day meals and will make favors for Christmas trays during the coming month.

Mrs. Bob Wells, auxiliary president, said sustaining members and members able to donate volunteer hours were still needed to maintain an active auxiliary for the hospital.

During the War of 1812, Stephen Girard, Philadelphia banker, assumed an entire Government loan of $5,000,000.

DELPHIAN CLUB HAS PROGRAM ON THANKSGIVING

The Cameron Delphian Club met in the Cameron Public Library November 21 at 3:30 p.m.

Mrs. A. W. McCullin was hostess. The meeting was opened with the Lord's Prayer said in unison by the group.

Mrs. Leland Green Sr. introduced the two guests, Mrs. George Wilkerson and Mrs. Tom Corley.

Mrs. Carroll Green introduced the guest speaker, Rev. Ben Pierce, who gave a Thanksgiving message. Rev. Pierce used the 36th verse, chapter 15 of Matthew as the text for his talk.

After the program, Mrs. Leland Green Sr. presided for a brief business meeting. She urged each member to contribute to the International Friendship Garden, a Federation Club project.

The hostess, assisted by Mrs. Carroll Green, Mrs. Corley and Mrs. Wilkerson, served a dessert course to 14 members and two guests.

$1,000 Fine For Mailbox Vandal, Caperton Warns

Mailboxes are protected by Federal law, and pranksters or vandals who damage or destroy the boxes and their contents may be in for a heavy fine or imprisonment, Postmaster Narvie L. Caperton warned today.

Caperton noted that some 25,000 mail receptacles were damaged or destroyed in the past year. It was also noted that 2,641 persons were arrested in the year for damaging or destroying mail receptacles.

The postmaster quoted from the law: "Whoever wilfully or maliciously injures, tears down or destroys any letterbox or other receptacle intended or used for the receipt or delivery of mail on any mail route, or breaks open the same or wilfully or maliciously injures, defaces or destroys any mail deposited therein, shall be fined not more than $1,000 or imprisoned not more than 3 years."

This applies to all mail receptacles and the mail in them, even though the boxes are bought by citizens and are their personal property, Postmaster Caperton emphasized.

"Pranksters—and especially children who do not know any better—should be made to realize the seriousness of their actions," the postmaster said. "A $1,000 fine or a term in jail is enough to take the humor out of any prank."

Often the mailbox damage is the work of youths, who do it for "kicks". And the courts have shown little sympathy for this youthful means of expression.

THANKS TO FIREFIGHTERS

We want to thank Cameron Volunteer Firemen, Sheriff Carl Black, and all our friends and neighbors for helping us fight the fire last week at our place near Yarrellton. We really appreciate their efforts.

Public Surface Water Users Must File Claim With TWRC

The Texas Water Rights Commission announced today that it has begun distribution of reporting forms required by the Water Rights Adjudication Act of 1967.

Persons using public surface water in Texas for any purpose other than for domestic or livestock uses without a permit are required by recent legislative action to file a sworn statement with the Texas Water Rights Commission for recognition of their claim. This must be done no later than September 1, 1969.

The Water Rights Adjudication Act, effective August 28, 1967, provides that all claims of water rights must be recorded with the Water Rights Commission. These claims must be valid under existing law and will be limited to actual use. All water rights are to be adjudicated and administered by the Commission "to the end that the surface water resources of the State may be put to their greatest beneficial use," to quote the new law.

This Act will not affect users of ground water. Users of surface water for domestic or livestock purposes only also will not be affected. The new law applies to and may limit claims to riparian waters, waters diverted or impounded for use other than for domestic and livestock purposes, " claims to water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended " and all other claims to water rights for which permits or certified filings have not been granted.

During drought periods, especially on larger streams, it will be necessary to closely supervise all rights. The Commission will divide the State into water divisions and appoint watermasters to regulate stream flow and water usage.

Legal Notice –

PUBLIC NOTICE
OF THE REQUIREMENT FOR RECORDATION AND LIMITATION OF CERTAIN CLAIMS OF WATER RIGHTS.

Notice is here given as required by Section 4 of the Water Rights Adjudication Act of 1967 (Article 7542a, Vernon's Civil Statutes) that all claims of riparian water rights, all claims under Article 7300a, Revised Civil Statutes of Texas, 1925, to impound divert or use public waters for other than domestic and livestock purposes for which no permit has been issued, all claims of water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended, and all other claims of water rights other than claims under permits and certified filings, must be recorded with the Texas Water Rights Commission. Section 4 does not apply to use of water for domestic and livestock purposes as the same is defined by Commission Rules.

On or before September 1, 1969, every person claiming any water right to which Section 4 applies shall file with the Commission a sworn statement setting forth the nature of the claim of water right. Claims to which the Section applies shall be recognized only if valid under existing law and only to the extent of actual application of water to beneficial use without waste during any calendar year from 1963 to 1967, inclusive. However, in any case where any claimant of a riparian right has prior to August 28, 1967, commenced or completed the construction of works designed to apply a greater quantity of water to beneficial use, such right shall be recognized to the extent of the maximum amount of water actually applied to beneficial use without waste during any calendar year from 1963 to 1970, inclusive provided an additional sworn statement is filed on or before July 1, 1971. Failure to file the sworn statement or statements in substantial compliance with Section 4 shall extinguish and bar any claim of water right to which the Section applies.

Instructions and forms for recording claims may be obtained without cost from the Texas Water Rights Commission, P. O. Box 12396, Capitol Station, Austin, Texas 78711.

Where The Money Goes . . .

The City of Cameron has come forth with a "bill of particulars" on what would be done with additional revenue from a 1 cent sales tax.

An estimated figure of $40,000 has been presented by the Council, broken down in nine areas, which would provide:

—$5,000 for additional fire truck driver and equipment.

—$10,000 for additional improvements in business and residential streets.

—$8,000 for new equipment in the Street Department.

—$1,000 for library grounds and building maintenance.

—$3,000 for upgrading the Cameron Police Department.

—$1,000 for airport maintenance.

—$6,000 for an average of a $15 monthly salary increase for each City employee, the average of which is low.

—$4,000 for improvement of parks and recreation.

—$2,000 for expansion and improvement of cemetery.

It is safe to say this would be a good start on what these various facilities can use for modern maintenance, manning and improvement. By comparison with other progressive cities, it is modest.

But it is a start and worthy of voter consideration in a called election on the 1c City Sales Tax December 19.

What Others Say . . .
In Lesotho

For some time we have wondered what the small African kingdom of Lesotho could be noted for, and now we have found out. It is, for the moment at least, noted for a sparkler tentatively called the Lesotho diamond, which weighs 601 carats and is between a golf ball and an egg in size. It was found on a tiny claim principally owned by Petrus Ramoboa, who was paid half the original purchase price of $302,400. Since Mr. Ramoboa's previous cash assets had amounted to $4, this was quite a fortune; he immediately bought a suit, three frying pans and two new wives, all in all a modest bit of splurging.

Fortunately, word of the find reached the Lesotho government, so that Mr. Ramoboa received a fair price. The stone is the seventh largest gem diamond known. Mr. Ramoboa has plans for further expenditures, including a great feast, and he should have no more financial worries. But that is only a guess; we are not informed on Lesotho tax schedules — and the government knows all about Mr. Ramoboa's chunk of ice. —St. Louis Post Dispatch

Adult Course On Basic Math Starts Monday

An adult basic education course in mathematics will be offered at Yoe High School on the blackboard-by-wire network administered from Texas A&M University.

Alvis Fuquay, Yoe High principal, said adults interested in the basic math course should contact his office for further information. The non-credit course will begin Monday at 8 p.m. A local classroom teacher will work with adults taking the course in Cameron.

Fifteen schools are on the leased telephone line blackboard-by-wire network. The class to be taught by Mrs. LaVerne Schlutt of S. F. Austin High in Bryan will go to schools in Brenham, Caldwell, Cameron, Crockett, Franklin, Hearne, Huntsville, Madisonville, Rockdale, Snook, Somerville and College Station.

Mrs. Schlutt, Bryan public schools adult basic education teacher, will originate the 8 to 8:30 p.m. Monday and Thursday course in her regular class at Austin High, one of four transmitting stations in the network. Four other high school level courses, in related and advanced math, physics and English composition, are transmitted from Consolidated, Rockdale and the CATE Center.

The blackboard-by-wire network, largest of its kind in the U. S., employs electronic equipment to transmit line drawings that appear on TV screens in receiving classrooms. The transmitting teacher has two-way audio connections with each school, to present material and answer questions. Slide projected material at each school is cued by voice.

Look at this '68 "youngmobile" from Oldsmobile.

Wouldn't it look great in your driveway?

This new Cutlass S has a way of making things look younger. Even driveways. That's because of all the young ideas we built into it. A bigger 350-cubic-inch V-8, for instance. (Or, if you prefer, an Action-Line 6.) And a taut coil spring suspension that makes it easy to cut and turn in tight places. And you can order a whole carfull of young-it-up accessories like bucket seats, stick-shift or stereo. But if you think Cutlass S is young all over, don't forget that it is Olds all over, too. Olds quality, Olds engineering and the new GM safety features are all standard.

State Cracks Down On Home Improvement Loans

By Vern Sanford

AUSTIN

State crackdown on loan abuses in the home improvements field is steadily widening.

Consumer Credit Commissioner Frank Miskell issued show cause orders against 16 home improvement firms and 16 individuals, alleging they are lending money at illegal interest rates.

Orders applied to firms in Houston, Dallas, San Antonio, Kingsland and Fort Worth.

"These cease and desist orders were but the initial step which will be followed by other legal actions as part of our comprehensive program to protect Texas consumers from abuse in the field of home improvement contracts," Miskell said.

Companies and personnel were directed immediately to stop any activity in violation of Texas' Regulatory Loan Act or new Consumer Credia Code.

Practices complained of include cash advances on home improvement loans (primarily for debt consolidation) as an inducement for contracts at interest rates over 10 percent. Some interest rates an aide to Miskell said, range from 18 to 24 percent.

A Houston finance company has filed suit in district court here, challenging Miskell's authority under the Regulatory Loan Act to regulate its purchases of discounted notes executed by homeowners to improvement contractors.

OIL ALLOWABLE UNCHANGED

Railroad Commission set December oil allowable factor at 40.8 percent of potential, same as November.

Maximum production of 3,375,866 barrels of oil is possible under factor.

Three cuts were made in allowables since August when the factor was increased to 54 percent during the Mideast crisis.

CONSTITUTION AMENDED

Texas' 91-year-old Constitution, as a result of Nov. 11 elections, has six more amendments.

Voters approved all six proposed new amendments.

Also, as a result of the general election, Texas has a new Republican senator, 35-year-old Dallas lawyer Ike Harris. Republicans are in run-off races with Democrats next month in all six districts which have House vacancies. Two of the districts are in Houston, one in Austin, one in the Rio Grande Valley, one in Wharton and Matagorda Counties and the other in Bailey, Cochran, Hockley, Terry and Yoakum Counties of West Texas. GOP candidates led November voting in all but the Valley district.

COURTS SPEAK

State Supreme Court has set a January 24 hearing on a damage suit arising from a chartered plane crash that may result in new legal guidelines for cases involving Texas citizens killed or injured in out-of-state accidents. Question is whether damage recovery ceiling of Texas or state where accident occurred applies.

High court upheld lower court decisions that Carrollton-Farmers Branch Ind. School Dist. could not legally expel two students because they got married.

Montgomery Ward was inefficient in handling the charge account of a Danbury lawyer, top state court agreed, but ruled out damages, finding no intentional or malicious effort to harass him over collections.

In another case, Supreme Court threw out an appeal of a driver who claimed suspension of his license was not proper because one of the traffic convictions which suspension was based on was invalid.

Court of Criminal Appeals held that a man who voluntarily confessed murder to police before he was arrested cannot use as defense contention he did not get warning as to constitutional rights on confessions.

ATTORNEY GENERAL RULES

Atty. Gen. Crawford Martin held that the Department of Public Welfare must furnish monthly reports containing names of those seeking aid to blind to the Department of Public Safety so their drivers licenses can be promptly revoked under a new law. Opinion said 1941 law prohibiting disclosure of welfare applicants no longer applies in this particular case but does apply in other situations.

MORE MIGRANT AID SOUGHT

State Board of Education has boosted a federal aid request for seven migrant worker programs to more than $3,900,000.

Earlier request for migrant children programs was increased to $2,700,000 to expand assistance to 41 participating districts, launch new projects at Dimmitt, Georgetown, El Paso and Lamesa and help Hurricane Beulah victims with clothes and school supplies.

New funds would go to McAllen migrant demonstration school, preschool work in 20 districts; salaries and travel for migrant teachers; and summer institutes at Pan American College, Edinburg, and Texas A&I University, Kingsville, for teachers, teacher aides and administrators working with migrant children. Increases were sought for the special migrant compensatory education program in Rio Grande City and Laredo for children over 14 and the board's inservice and consultative program to revise the migrant school curriculum guide.

WATER RIGHTS FORMS

Texas Water Rights Commission is distributing forms required by the new Water Rights Adjudication Act.

Those using public surface water for any purpose other than domestic or livestock uses without a permit must file a sworn statement with the Commission for recognition of their claim by Sept. 1, 1969. Under adjudication act, all claim of water rights must be recorded with the Commission and must be limited to actual use. Those who have expanded water application facilities but not fully used them must file an additional statement before July 1, 1971.

SIX APPROVE SALES TAX

Voters in seven local elections on November 14 expressed their opinion on a one-percent city sales tax. The result: six cities approved it, and one city turned it down.

Approval came from Alpine, Georgetown, Granger, Hughes Springs, Marfa and San Marcos. Tax was turned down in Lufkin.

That brings to 34 the number of cities which have approved the tax. Only three have rejected it. At least 100 more are expected to vote on the question before the end of the year.

OLD PHILOSOPHER

Dear editar:

According to an article in a newspaper which was wrapped around a bundle of magazines a well-meaning woman in town sent out here to me because she heard I like to read, which I do but I'm not sure when I'll get around to the copies of the Literary Digest and Woman's Home Companion she included, a new commission in Washington has just made a ruling on potatoes.

Under the new Fair Labeling Act Congress has passed to protect housewives who can't seem to catch on that a giant quart is no bigger than a regular quart and the large economy size may be only the medium size, food processors and packagers have to label things like they are, no confusing words allowed, and so the commission has declared that if a sack of potatoes is marked "Idaho potatoes," the potatoes have to come from Idaho. Can't have any Texas potatoes traveling in the wrong sack.

I got to thinking about this and while I'm sure the commissioners know what they're doing, what I'd like to see is how they're going to rule on French fried potatoes.

You see, and this is for the benefit of housewives who have trouble catching on, unless the potatoes were fried in France, or at least by a Frenchman, an order of "French fries" is bound to be illegal and there'll have to be an F.B.I. agent in every hamburger joint in America. I won't go into the trouble they're going to have too with Bermuda onions. Nor, on a higher level, with Kansas City steaks, when everybody knows there's not a single steer raised in the entire city limits of Kansas City. Against the law.

This fair labeling law may run into more trouble than Congress intended.

For example, say a candidate is making a stirring speech on television and throwing in a lot of words that might confuse a housewife, shouldn't a line of type be run across the bottom of the screen while he's speaking saying: This speech written by John Galbraith, or whoever did?

And for the further benefit of the housewives, shouldn't a second line explain who John Galbraith is? After all, just by the name alone, how's the consumer going to tell whether he's a giant size or a regular quart size writer? Fair labeling is fair labeling.

Yours faithfully,
J.A.

Rosebud Winner By 1 First Down In Elkhart Tie

The 3,500 fans who packed into Marlin last Friday night saw two of the most evenly matched teams ever. And when the game ended, the scoreboard showed a 12-12 tie. When the penetrations were tallied, they came out even at 3-3. First downs were the only things to look at now, and here the Black Panthers from Rosebud came up on top by one.

	Rosebud	Elkhart
First Downs	16	15
Yards Rushing	282	198
Yards Passing	40	68
Passes Attempted	10	8
Passes Completed	4	3
Passes Intercepted by	0	2
Punts	2 for 34	5 for 32
Fumbles Lost	1	1
Penalties	4 for 37	3 for 25

The 16-15 lead in first downs pushed the Panthers on to the regional championship with Rogers.

A complete team effort is what pushed Rosebud to this bi-district game with the Elks, but the shining star of the night was Alfred Knox, who is a Panther shot at all-state. Knox piled up 242 yards offensively in 25 carries. His 31 yard punt return tied the game as to penetrations. But without the mighty Panther offensive and defensive lines, Knox would not have shone halt so brightly.

Guard Dean Pomykal led the brutal defense along with linebackers Larry Spivey and John Hudson, HB Mike Jackson, and John Coulter, defensive end.

The game looked like a runaway as the Panthers took the opening kick to their own 40, and then proceeded to score in 6 plays.

Speedy HB Spivey accounted for 6 of these yards, and Knox tallied the other 54. Nearly half of these yards came on a sweep around right end which was good for a 6 pointer. Knox's PAT attempt went wide and the Panthers led 6-0, with only 2:48 of the game played.

The Elks took the ensuing kickoff and marched it all the way back with the aid of a 62-yd pass play from field general Ted Harrod to HB Gene Lowery. Lowery attempted to get 2 points on the PAT but the attempt failed and the score stood at 6-6.

Rosebud took the Elk kick and hit the road again as Knox scampered off 30 on first down to the Elkhart 31. He pushed to the 21 before a fumble deprived Rosebud of a score.

With the ball on their own 19 the Elks could not make a first down and punted on fourth. In three swift plays Rosebud moved to paydirt in a 74 yd scoring drive. During this drive, Knox tallied 69 yds, and Panther QB Raymond Puente was injured. Relief field general James Duffie took over for the rest of the game. The TD came on a sprint around left end for 50 yards by Knox. Duffie's PAT pass fell incomplete and the Panthers led 12-6 with 2:37 left in the opening stanza.

Elkhart began a scoring cruise now with the ball on their own 46. Just nine plays later, thanks to the smashing runs by Ronald Steadman, 212-pound Elk fullback, and HB Lowery, Lockhart crossed the 54 yards between them and a TD.

Steadman blasted over for the 2-point PAT, but an illegal procedure penalty nullified the attempt. Harron tried to run it over this time, but was held back by that tough Rosebud defense.

The Panthers scooted to the Elk 21 - one yard short of a tying penetration -- but the Elkhart squad repelled the attack, with a pass interception by Charles Brat.

The Elks took the opening kick of the second half and shot from their 31 to the Panther 25 in just 7 plays. But a fumble in the Elk backfield wound up in Knox's hands.

After a series of downs, the Elks punted and Knox pulled in the pighide. He returned the ball 31 yards to the Elkhart 45. The Black Panthers marched quickly to the Elk 3 yd line in just 12 plays before the Elkhart defense held for downs. With this penetration, the teams were equal; it proved to be just as important as a TD.

The Elks put forth a blazing effort, and succeeded in tying the first downs at 15-15 before the Rosebud defensive wall stiffened.

With possession of the ball on his own 31, Spivey beat out 4 yds. Then Knox came up with the play that saved the game for the Panthers -- a sprint around end for 9 yards and the winning first down.

Rosebud got off three more plays before the game's end. The victory put the Panther season record at 7-2-1. The Elks have a 9-1-1 tally for the year.

Rockdale Scores 39 Over Lockhart's 6 In District Finale

The Rockdale Tigers capped a tough 13-AAA district season with a 39-6 victory over Lockhart.

	Rockdale	Lockhart
First Downs	19	5
Yards Rushing	311	40
Yards Passing	17	75
Passes Attempted	6	20
Passes Completed	1	6
Passes Intercepted by	2	0
Punts	2 for 33	7 for 36.4
Fumbles Lost	1	0
Penalties	10 for 100	9 for 75

It was a brilliant night for the Tiger defense as Rockdale defenders held the Lockhart squad to 3 yds total offense for the first half. But the offensive squad put in one of their best performances of the season.

Richard Kubiak set up the first Tiger TD with an interception which he returned to the 35 yd line. Just 7 plays later H. Earl Marion crossed the goal line from one yd out. Mike Speer's PAT split the uprights to put Rockdale in the lead, 7-0.

The next TD was added to Rockdale tally as Robert Brady hauled in a Lockhart punt on his own 41 and hit the side line. He followed the line for 59 yds to paydirt. The PAT try failed.

In the second quarter, the Tigers marched 59 yds in five plays with a Lockhart kick. Stanley Bower capped the drive with a 17 yd pitch to O. D. Nealy who stood in the end zone. Speer booted the PAT.

Brady looked like greased lightning as he took another Lockhart punt all the way to the end zone, this time with a 46 yd sprint. Speer added one more point to the tally.

Rockdale end Glenn Chmelar set up the next Tiger TD with a pass interception which he returned to the Lockhart 46. A few plays later Marion was in the end zone again following a 6 yd scoring burst. This put the halftime score at 33-0.

In the third quarter Lockhart's Bred Dukes recovered a Tiger fumble on his own 25. Field general George Rodriquez set up the only TD for his team with a 39 yd bomb to Theodore Miller. It was Harold Evans who got the six-pointer on a line buck.

The Tiger reserves took over now and the Rockdale squad went scoreless until the last 4 minutes of play, when Bower crossed the goal line from 1 yd out.

Top defenders for the Tigers were Kubiak, Speer, Chmelar, Nealy, Clift Clark and Jim Curik.

This win put the Tiger district record at 9-1, and gave them a second place rating in 13-AAA with Seguin in the top spot.

Del Valle Downs Yoe 14-0

By Fritz Pratt

Del Valle Cardinals, favored to run over the Yoemen in Saturday's bi-district game, had to go all out and then some to come out on top. They were held scoreless until the fourth quarter, when a series of Yoemen fumbles gave them their chance.

	Cameron	Del Valle
First Downs	9	17
Yards Rushing	131	161
Yards Passing	58	102
Passes Attempted	8	18
Passes Completed	2	6
Punts	4 for 35	6 for 32.5
Fumbles Lost	4	0
Penalties	1 for 5	6 for 59

Del Valle's season record stands at 11-0. This week they meet Tomball in a regional bout. The Cameron Yoemen ended their season as 17-AA District champions and with a 5-5 season. This is the 4th consecutive year for the Fighting Yoemen as district winners.

Mike Miller kicked off to Cardinal halfback Bobby Moreland who returned the ball to his own 38.

Immediately the Del Valle squad set sail, piling up Yoe defenders. Finally, with their drive stalled, the Cards tried a field goal. John Hilgers was the man kicking and his attempt missed.

With possession of the ball on their own 20, the Yoemen made an attempt at yardage. Kirk carried for 3 on first down followed by Hefft who knocked the ball out of bounds. Dennis Crouch got 4 yds on 1st down, but yardage was not enough for a first. Miller punted on 4th to the Cardinal 33.

Yoe defense kept the Del Valle squad from a first, forcing them to punt on fourth. Kirk hauled in John Lamb's punt and returned it 5 yds to the Yoe 36.

Kirk blasted out 2 yds on 1st. On the next play, Fogle dropped back and shot a bomb to Lafferty, and an interference penalty gave the Yoemen 30 yds. In the next series of downs. Crouch picked up 4 yds, Hefft 3, and Miller crashed through 5 yds for another 1st. But, in the next few plays, Miller gained only 1 and Fogle lost 10. Miller's attempted field goal on 4th went just short of the bar.

Fogle hit over left end for 16 yds on 1st down. In the next three efforts Kirk amassed yd, Fogle 1, and a 3rd down bomb to Lafferty missed its mark. Miller booted his 4th down punt to the Del Valle 23.

Richardson, Chapman, Fogle and Hosch teamed up to stop any Cardinal attempt at a 1st. Lamb put the ball out on the Cameron 48.

The Yoemen managed to grind out one more 1st before halftime as Fogle totaled 16 yds, Hefft 6, Kirk and Crouch each sneaked off with 1.

Halftime found the yardage gained by both teams nearly equal.

Miller took Hilger's opening 2nd half kick and rammed it 40 yds. Hefft picked up 2 on 1st and a penalty on the Cards made it 1st down again. In the next set of downs, Kirk totaled 9, Crouch tallied half a yard, and Fogle picked up 1 just after Miller was dropped for a 2 yd loss. The Cards took over on downs.

Now Yoe defenders Kirk, Jekel, Maddox, and Chapman forced the Del Valle field general Lamb to punt on 4th.

After Crouch was held for no gain and Kirk gained 6 yds, a fumble rolled into Cardinal hands.

Lamb was forced to try the airways. Fogle broke up the first aerial and on the second try, Kirk came down with the ball.

A first down was smashed out as Kirk picked up 55 yds, Hefft totaled 2, Crouch traveled for 2, and Fogle was dropped for a loss of 7. Miller's final down punt bounced out of the Cards end zone.

Miller plastered the line for 1 on first down. A Fogle pass on 2nd down was hauled in by Cardinal Louis Arnold.

Now the Cards set sail and despite efforts by the whole Yoe defense, Arnold pulled in a pass in the Cameron end zone, Hilger's PAT was good.

After several Yoe fumbles, the Cards tallied another 6-pointer. Hilger's PAT connected again.

In the final moments of the game Kirk totaled 19 yds, and Fogle picked up 4.

Buckholts Downs Jarrell 40-12 In Last District Bout

Buckholts Badgers blasted the Jarrell Cougars 40-12 in the last battle of District 10-B.

	Buckholts	Jarrell
First Downs	7	9
Yards Rushing	200	112
Yards Passing	125	48
Passes Attempted	15	11
Passes Completed	5	8
Passes Intercepted by	2	0
Punts	1 for 30	5 for 105
Fumbles Lost	2	1
Penalties	2 for 20	0 for 0

The Badgers were first on the scoreboard as early in the opening quarter Kenneth Marek scampered 60 yds on an end-around to a TD. Art Layton's PAT kick put the score at 7-0.

Buckholts added two more TDs in the second quarter, both coming on aerials. The first came with a 20 yd bomb to Norman Haisler from Marek. The PAT missed. The next score was from a 30 yd pitch to Marek from Alan Barkemeyer. Points after were tallied with a Layton pass to Terry McNeill. At halftime Buckholts led 210.

Second half scoring was opened by Jarrell as Cecelio Jaramillo shot over tackle for 5 yds and a 6-pointer. The PAT failed.

The Badgers quickly retaliated with two scoring bursts. Mike Boedeker hit the end zone from one yard out, and Gordon Haisler connected with Barkemeyer for five yards and another hunk of paydirt. With the two point after attempts failing, the Badger lead was 33-6.

Jaramillo finished off scoring for the Cougars with a 2 yd smash through the line. Again the PAT failed.

The final Buckholts tally came on a Barkemeyer to Marek aerial which covered 60 yds. The after TD point came from a Barkemeyer to Marek toss to end scoring for the night at 40-12.

Top Badger defender was Ronnie Rubac, who collected most of the game's tackles.

ROGERS NOTES

The Rogers High School chapter of FHA held their monthly meeting in the school cafetorium this week. Jeanette Klement, president, conducted the meeting with a report from the social and project committees.

Judy Hoelscher reported on the area meeting the group attended in Austin recently. Certificates of magazine sales were awarded to Margie Mayfield, Nancy Roberson, Geraldine Brenek, and Mary Ann Morgan by Miss Brenda Hatcher, advisor and teacher.

The program was a panel discussion on "Morals and Manners Matter", with Karen Schneider as moderator. Panel members were Mrs. M. D. Cannon, Mrs. A. J. Lesikar, Delores Chupik, and Brenda Innmon. The social committee served refreshments after the program.

Rogers Nips Blooming Grove 40-0

Rogers Eagles rolled over the Blooming Grove Lions in a bi-district vie. They proceed to regional against Rosebud Friday at Cameron.

	Blooming Grove	Rogers
First Downs	8	16
Yards Rushing	122	341
Yards Passing	18	14
Passes Attempted	28	7
Passes Completed	6	1
Passes Intercepted by	0	3
Punts	5 for 29	3 for 31
Fumbles Lost	1	2
Penalties	2 for 25	6 for 55

The Eagles remained on the ground and combined their fine running backs with a faultless defense to shut out the Lions. This running game was led by Mike Mayfield, Eddie Henderson, Larry Griffin, and Eugene Brenek while the tough defense held a usually brilliant passing attack to 19 yds.

The Lions started off like wildfire, shooting to the Eagle 44 where a 4th and 1 try by John Philips failed.

A punting duel followed and Rogers finally got good field position. Mayfield got the final 12 yds off tackle to score his first of three TDs. He booted his own PAT and the score was 7-0.

Lions pushed from their own 20 to the Eagle 24 before losing the ball on downs. Henderson, Griffin and Mayfield led a scoring drive, with Mayfield collecting most of the yardage. He got the score from 4 yds out and booted his own conversion.

On the next Rogers drive, Henderson broke loose from a play and shot 47 yds to the Lion 19. Henderson got those last 19 yds on an end around. Mayfield's PAT went wide and the score stood at 20-0.

On the first Grove play from scrimmage Mayfield picked off a pass and shoved it down the Lions' throat to their own 12.

On first down, Griffin busted over and Mayfield booted the extra point. The Eagles led 27-0 now.

Next Lion attempt at an aerial was snagged by Henderson on the Grove 39. In six plays, Rogers had scored again, with Mayfield getting the final 17 yds. His PAT sailed between the posts to put the score at 34-0 for halftime.

The remainder of the game went to a stout second string of Eagles who held the Lions scoreless while scoring another TD.

Brenek got the final TD on a smash through the middle of the Lion line for 35 yds. Mayfield's PAT missed its mark and ths final score was 40-0.

Commodity Credit Corporation will make farm storage facility loans to eligible borrowers for the purchase and erection or construction of eligible facilities needed for on-the-farm storage of one or more price support commodities. Any person, who as a tenant or landowner produces one or more price support commodities for the current crop year, that establishes a need for the proposed facility is considered an eligible borrower.

An eligible facility is any new movable or immovable storage facility including new additions to existing facilities of conventional farm type as bins, cribs, or buildings and new oxygen-free silos or similar facilities.

Maximum term of a loan shall be five years from date of disbursement. Loans will be secured by chattel mortgages on the storage facility which shall constitute the sole lien on such facility or first lien in the form of a real estate mortgage, or other security instrument on the borrower's farm or other property on which the facility will be located.

The prinicpal of the loan shall be repayable in equal annual installments with interest at 4 percent per year on the unpaid balance.

COTTON ALLOTMENTS

Final date for filing applications for the sale or lease of cotton allotments is January 2, 1968. Upland cotton allotments may be sold or leased for transfer to another farm, or may be transferred by a farm owner to another farm owned or controlled by him for the 1968 crop year.

Provisions for transfers by sale or lease and by owner will remain the same as the previous two years except a person having an interest in two or more farms will not be permitted to transfer allotments between these farms in order to create small farm eligibility.

SCS NEWS--

America is concerned about its water resources and the need to control pollution from all sources. This concern reaches to every citizen, whether he lives in the city or country.

Since a major part of all water used by city residents and industry originates as run-off from farm and forest land, the management of farm land is a major factor in determining the water quality that is used downstream. In the Milam County area the main causes of water pollution are agriculture chemicals and silt caused by soil erosion. All of these can be controlled by the farmer on the land.

Local soil conservation districts sponsor a program for farmers that is designed to control water pollution of all kinds that originate out on the farms. It amounts to nothing more than a good soil and water conservation program on the land.

A good conservation program will control soil erosion and prevent silt from being carried in streams to the city water supplies. Applied conservation also conditions the soil so that it will serve as a filter and purification system in which organic material and chemicals are broken down.

A good conservation farmer is aware of the water pollution problem. When he applies the conservation practices to the land, he knows that he is maintaining and improving his land and also contributing to the welfare of the nation by helping control water pollution.

TEAM GETS JACKETS — Milam County's State winning Poultry Judging team receive jackets at the recent 4-H Awards Program and Banquet. Farm Bureau Adopts '68 Policies, Elects Officers At Austin Meet

The Texas Farm Bureau adopted state policies for next year, reaffirmed its conservative stand on national farm programs and elected a new slate of officers at its 34th annual meeting here November 12-15.

Sidney Dean, Victoria cattleman and farmer, was named president by the TFB board of directors following adjournment of the convention Nov. 15. He replaces C. H. DeVaney of Coahoma who had served as chief officer of the state's largest farm organization since 1962.

M.F. (Mike) Frost, McAllen cotton, citrus and vegetable farmer, was elected vice president; and Steve Lilly, Nacogdoches dairyman and livestock producer, was named secretary - treasurer. Dean had served as vice president for the past year and Frost had been secretary - treasurer during that time.

The 842 voting delegates from counties reaffirmed the organization's desire to "move in the direction of eliminating government regulation of the right to produce agricultural commodities." They said, however, in some cases that allotments and quotas will have to be maintained for a transitional period.

Delegates recommended that all Texas Farm Bureau marketing programs be expanded and diversified as rapidly as possible. TFB is now active in cattle and poultry marketing and trade development.

They adopted a new state policy calling for a county sales tax that would replace the present county ad valorem tax. Delegates opposed establishment of a Texas Dairy Commission and supported more effective animal health programs in the state.

The Convention delegates re-elected seven board members whose terms were expiring this year. They are: J. D. Coleman, Wellington, Dist. 1; T. J. Richards, Paducah, Dist. 3; Edwin Sanderson, Paris, Dist. 5; B. J. Gist, Abilene, Dist. 7; Steve Lilly, Nacogdoches, Dist. 9; Fay Mowery, Houston, Dist. 11; and M. F. Frost, McAllen, Dist. 13.

How much corn in a cornfield?

Bobby was raised in the city. It wasn't until recently that he had ever set foot in a cornfield.

Oh, he'd seen hundreds of cornfields from the window of a speeding car. And, shopping with Mother at the market, he'd seen the golden ears peeping through their green jackets.

But when we visited the Stoner's farm Bobby actually set foot in a cornfield. And Bobby looked at our host as though he were a millionaire.

"Gosh, Mr. Stoner," he said, "God sure gave you a lot of corn."

The other day we had a note from the Stoners inviting us to have Thanksgiving dinner with them.

"Please bring Bobby along," they wrote. "He helped us appreciate just how much corn there is in a cornfield—and where it comes from."

GUAM, M.I.

Aviation Electronics Technician Third Class Joe B. Mayer, USN, son of Mr. and Mrs. Joe F. Mayer of Rt. 2, Cameron, was advanced to his present rate while serving with Early Warning Squadron One at the U.S. Naval Air Station on Gaum in the Marianas.

His advancement was based on his time in service and rate, military appearance, performance of duties, and his score on the Navy-wide test for promotion.

The squadron is engaged in typhoon reconnaissance in the Pacific and conducts extensive radar surveillance for the Seventh Fleet.

FT. MONMOUTH, N.J.

Private First Class Ronnie W. Good, 22, whose parents, Mr. and Mrs. Johnnie W. Good, and wife, LaTrelle, live on Route 4, Cameron, completed a fixed station technical controller course Nov. 3 at the Army Signal School, Ft. Monmouth, N.J.

During the 10-week course, he was trained in procedures and the use of equipment necessary for the control of fixed station facilities.

GOLD MEDALLION
on the outside!

The Gold Medallion emblem identifies homes with modern, all-electric appliances and equipment...

- Electric heating and air conditioning
- An electric range, refrigerator, dishwasher and waste disposer
- Work-saving electric washer and dryer
- A longer-lasting electric water heater
- Carefully planned functional and decorative lighting
- Adequate wiring for present and future needs

ENJOY A CLEANER KITCHEN... BETTER COOKING... WITH ALL-ELECTRIC APPLIANCES

In a Gold Medallion Home, a modern electric range helps make good cooks even better ... a refrigerator or refrigerator-freezer keeps a variety of foods fresh and ready for use ... a waste disposer and dishwasher make clean-up time easier and faster. And, with electric appliances, the kitchen stays "white-glove" clean.

-LEGAL NOTICE-

NOTICE OF SPECIAL ELECTION

TO THE DULY QUALIFIED RESIDENT ELECTORS OF THE CITY OF CAMERON, TEXAS, AND TO ALL OTHER INTERESTED PERSONS:

NOTICE IS HEREBY GIVEN that an election will be held in and throughout the City of Cameron, Texas, on the 19th day of December, 1967, on the question of the adoption of a One Percent Local Sales and Use Tax within said City, in keeping with the following Ordinance adopted by the City Council of Cameron, as follows, to-wit:

An Ordinance ordering a Special Election to be held in the City of Cameron, Texas, on the question of the Adoption of a One Percent Local Sales and Use Tax within the City: Designating the day of the Election and the Polling Place; Appointing Election Officials therefor; Providing that all duly qualified Resident Electors shall be qualified to vote: Prescribing Form of Ballot: Providing for Notice of Election: and Containing Other Provisions relating to said Election.

WHEREAS, Article 1066c, Vernon's Texas Civil Statutes (Acts 1967, 60th Legislature, Regular Session, Chapter 36, Page 62) authorizes the governing body of any city, town or village in Texas to call an election for the purpose of adopting a local sales and use tax within such city, town or village: NOW THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF CAMERON:

Section 1. That a special election shall be held in and throughout the City of Cameron, Texas, on the 19th day of December, 1967, at which election there shall be submitted to the resident qualified voters of said City, for their action thereupon the following propositions:

"FOR adoption of a one percent local sales and use tax within the City."

"AGAINST adoption of a one percent local sales and use tax within the City."

Section 2. That said election shall be held at one polling place for all qualified voters of said City, to-wit, The City Hall, which is located at 308 South Houston Avenue, in said City, and the Presiding Judge who shall hold and conduct said election shall be B. J. Matocha. The Presiding Judge at such election shall appoint at least two clerks, or as many more as may be required in his discretion, to assist him in the holding of such election.

Section 3. That said election shall be held in accordance with the Constitution and laws of the State of Texas, and all duly qualified resident electors of the City of Cameron, Texas shall be qualified to vote.

Section 4. That the ballots of said election shall conform to the requirements of Section 2, Subsection G of Article 1066c, Vernon's Texas Civil Statutes (Acts 1967, 60th Legislature, Regular Session, Chapter 36, Page 62), and to the requirements of Chapter 6 of the Election Code of the State of Texas, as amended, and the language to be printed thereon shall include the following:

OFFICIAL BALLOT

INSTRUCTIONS: Place an "X" in the square beside the statement indicating the way you wish to vote.

——FOR adoption of a one percent (1%) local sales and use tax within the City.

——AGAINST adoption on a one percent (1%) local sales and use tax within the City.

Section 5. That election judge and clerks are directed to comply with Article 6.06, Election Code of the State of Texas, as amended (Section 2 of House Bill 181, Acts 1967, 60th Legislature, Regular Session, Chapter 452, Pages 1026, 1028), which provides that a square shall be placed beside each proposition in which the voter is instructed to place an "X" or other clear mark to indicate the way he wishes to vote: but which also provides that failure of a voter to mark his ballot in strict conformity with the directions on the ballot shall not invalidate the ballot, and the ballot shall be counted if the intention of the voter is clearly ascertainable, except where the law expressly prohibits the counting of the ballot. It is specifically provided that the election officers shall not refuse to count a ballot because of the voter's having marked his ballot by scratching out the statement of proposition for which he does not wish to vote.

Section 6. That notice of the election hereby ordered and called for shall be given: (a) by publication on the same day of two successive weeks in the City's official newspaper, towit, "The Cameron Herald", which is a newspaper of general circulation published within said City, the date of the first publication to be at least twenty-one (21) days prior to the date set herein for such election; and (b) by posting of such notice in a conspicuous place at the aforesaid polling place not less than twenty (20) days prior to the date set herein for such election.

The above and foregoing Ordinance having been duly read, approved and adopted by the City Council of Cameron, at its regular meetings on November 7, 1967 and November 15, 1967, is hereby declared to have been duly passed and approved on this the 15th day of November, A. D., 1967.

• San Gabriel

By Mrs. H. H. Linke

The Milam Association Workers' Conference met with the San Gabriel Baptist Church Monday night, Nov. 20. The theme for the meeting was 'Foreign Missions" and guest speaker was Dr. Bill Frazier, missionary to Brazil.

Mr. and Mrs. Henry Partlow of Georgetown visited with Mr. and Mrs. Darrell Conn Saturday afternoon. Mrs. Conn is still confined to her bed at her home, where her condition is slowly improving after surgery.

Weekend guests of Mr. and Mrs. Allan Conn were Mr. and Mrs. Leslie Hodge, Britt and Clay of Houston.

Rev. Clinton Watson, Church Development Missions Director for the Baptist General Convention of Texas, was the guest speaker for the regular worship service Sunday at San Gabriel Baptist Church. He presented the Category II Award to the church for the year 1967. This is the fourth consecutive year for San Gabriel to achieve this honor.

Mrs. Allan Weaver and children of Houston spent last Sunday with her mother, Mrs. Winnie Herron.

Thomas Blocker attended the football game between the Dallas Cowboys and Washington Redskins Sunday afternoon at the Cotton Bowl in Dallas.

Mr. and Mrs. Richard Sims and children of Houston were guests Sunday of her brother, Rev. Melvin Zornes and family.

Weekend guests of Mr. and Mrs. L. L. Worley were Mr. and Mrs. Kit Worley of Waco.

Guests of Mr. and Mrs. W. I. Camp during the weekend were Mr. and Mrs. Jim Wilson, Greg and Toby of Houston.
